DOST CARAGA S&T CENTER BUILDING

This DOST Caraga Science and Technology Center Building, completed on 4 August 2011, houses the DOST Caraga Regional Office and the Regional Standards and Testing Laboratory.

DOST Caraga operates a Quality Management System conforming to ISO 9001:2008 in the provision of science and technology transfer and commercialization services, science and technology information and promotion services, and S&T scholarships. The DOST Caraga Regional Standards and Testing Laboratory conforms to the requirements of PNS ISO/IEC 17025 in the fields of Chemical Testing and Microbiological Testing.

In adherence to its quality policy, DOST Caraga commits to create more technology-based enterprises producing a wide-range of globally competitive products and services with the highest standards of quality and reliability. It further commits to continually improve the effectiveness of its QMS at all times in order to meet customer satisfaction.

With this infrastructure, DOST Caraga hopes to contribute significantly in enhancing national productivity and competitiveness and become a world-class knowledge provider and user of science and technology.
