

13 July 2020

HON. RAMON A G. BUNGABONG
Vice Governor
Provincial Government of Agusan del Norte
SP Building, Capitol Compound, Butuan City

Dear **Vice Governor Bungabong**:

Good day!

Thank you for your commendation to the Department of Science and Technology (DOST) Caraga for extending support to the province of Agusan del Norte during this corona virus disease (CoViD) 19 crisis.

In relation to this, please be informed that we have installed one (1) Specimen Collection Booth (SCB) for ADN Provincial Hospital last June 11, 2020. Moreover, DOST Caraga is offering free calibration services for the province to ensure that thermal scanners being used by our hospitals and other establishments show accurate results. We will also be distributing contactless thermal scanners for Agusan del Norte, thru the provincial government, as part of our continued efforts in fighting against CoViD 19.

We will be coordinating with your office for the details of this initiative.

Thank you and stay safe.

Very truly yours,

DOMINGA D. MALLONGA
Regional Director
